SPECIAL NOTICE

TO THE WHOLESALE TRADE:

We wish to call your attention to the Vine Seeds offered on the inside of this special offer and if you have not fully covered your requirements for next season, believe it will pay you to order any of the varieties you may be able to use for immediate shipment.

The freight rates will increase 35% about the 25th of August and shipments before that date should go through at the old rate.

The acreage of Vine Seeds this year is limited and a large percentage of the acreage has been partially or totally destroyed by hail, causing serious losses, and in many cases total losses of most of the varieties. We look, therefore, for higher prices as the season advances.

Your orders will be given prompt attention.

Yours truly,
WESTERN SEED & IRRIGATION CO.,
Per WM. EMERSON, General Manager.

Send us a memorandum of your requirements for SWEET and FIELD CORN and VINE SEEDS for shipment after harvest and will quote special prices for any kinds we can offer.
